Tools with a Mission

Tools wanted

✓ What we can use

✗ What we can't use

Scottish edition

We collect donated tools, refurbish and sort them into trade kits and send them across the world for **livelihood creation**

Scotland is special! TWAM's Cowdenbeath Refurbishment Centre specialises in producing a specific range of tool kits. Therefore they can only use tools for the trades listed below. We're sorry but it is too expensive to collect, store and transport other tools to our Distribution Centre in Ipswich, Suffolk.

✗ No thank you...

It's not about what we want, it's about what people can use.

What may be useful to us, may not be useful to someone in Africa. If we say we can't take something, we're not being ungrateful, we're just being honest.
